PERSONAL STATEMENT

Motivated and dedicated CS student with hands-on experience in software development, web technologies, and database management. Completed internship at Aquila Softwares Corporation and currently seeking entry-level employment opportunities where I can apply my technical skills while continuing my studies. Eager to contribute to innovative projects and grow professionally in the field of Information Technology.

EDUCATION

University of Mindanao

Bachelor of Science in Computer Science (2020-present)
Coursework:
Focuses on the development and testing of software and software systems. It involves working with mathematical models, data analysis and security, algorithms, and computational theory.

CERTIFICATIONS

CENTIPORT
- IT SPECIALIST - DATABASES
- IT SPECIALIST - NETWORK SECURITY

EXPERIENCE

2020 - Customer Service Representative
- Meet or exceed performance goals, including call volume, resolution time, and customer satisfaction.

Academic Projects
